Figure 10 is a detailed plan view of the 'Diquai 2' (Block 2) area. The diagram shows a grid of rectangular plots, each labeled with its width (W) and length (L) in meters. The plots are arranged in a roughly rectangular shape, with a diagonal road or boundary running through the center. The labels for width and length are provided for each plot, such as W=108.6, L=17.0, W=108.3, L=17.0, etc. The overall dimensions of the block are indicated as W=210 and L=170. The diagram is titled '地块2' (Block 2) in large characters.
